Hunters under 18 must have an iSportsman account and the appropriate permits, but should NOT be reserved or checked-in through iSportsman and must stay with accompanying checked-in adult at all times. Do not park in front of gates or block access to buildings and leave gates as you found them, and **do not drive around locked gates!** No parking beyond the baseline on Ashley Range (HA 52), Kennedy and Scott Mountain Ranges (HA 54), or McKie Range (HA 59). All rivers within Fort Knox are off limits. All vehicles will be driven by the most direct, authorized route to and from your hunting area; cruising the complex is not permitted. The use of blinds is permitted, **but must be removed from the hunting area by 1400 (2:00 pm) each day.** Turkey decoys without electronic devices are permitted.

14. Baiting turkeys, such as placing grains, minerals, salt, fruits, vegetables, hay, or any other food materials, whether natural or manufactured, or the possession of such items in the hunting areas is prohibited (including your vehicle). Shooting turkeys while they are roosting is prohibited; a roost is defined as the place where a turkey spends the night.

15. Hunters **must** have in their possession while hunting a paper or electronic version of the Fort Knox Hunting and Fishing map. Hunters found out of their assigned hunting area will be cited and suspended. A compass and/or GPS are highly recommended.

16. Adults (21 and over) **must** be in a position to take immediate control of a youth's firearm at all times.

17. Be courteous of other hunters!! Don't cut-off a person working a bird, it is very unsafe and unsportsmanlike. Hunter orange garments are recommended when changing locations or carrying a harvested bird.
