

2023 FORT KNOX SPRING TURKEY HARVEST LOG

NAME _____

FORT KNOX PERMIT # _____

FIRST SPRING TURKEY PERMIT

Hunting Area _____

Male Female

Gun Archery

Date _____ Time _____

KDFWR Conf. # _____

Beard Length: 6 inches or longer

Less than 6 inches

All turkey harvested at Fort Knox must be checked-in through the KDFWR's Telecheck System (www.fw.ky.gov or 1-800-245-4263) by midnight on the day it is harvested. Select Hardin (047), Meade (082), or Bullitt (015) Counties, then Public Land, then Fort Knox Military Reservation. If not sure of the county, select Hardin (047); no issues if wrong county is selected, as long as Fort Knox and one of the three counties above are chosen.

Harvest must also be reported at check-out in the iSportsman system. The confirmation number obtained from the KDFWR Telecheck System also must be recorded on the Fort Knox Spring Turkey Harvest Log.

When a turkey is harvested, you must immediately record the Hunting Area, sex, weapon type, date, time, and length of beard on the Fort Knox Spring Turkey Harvest Log before the animal is moved.

SECOND SPRING TURKEY PERMIT

Hunting Area _____

Male Female

Gun Archery

Date _____ Time _____

KDFWR Conf. # _____

Beard Length: 6 inches or longer

Less than 6 inches
